

Where and when is the seminar being held?

The Future of Sjögren's Treatments Patient Seminar is being held virtually. Watch from wherever you have access to a stable internet connection. The Seminar will be held on Saturday, November 8th from 12-3pm (ET).

How much does the event cost?

This event is free to registrants. Please know that seating is limited.

Is the seminar being recorded?

The seminar is being recorded. Those who cannot attend on November 8th and wish to watch the seminar recordings should complete the [Event Recording Request Form](#). Recording will be sent to you within two weeks of the event.

I can't attend on November 8th, should I still register?

If you are unavailable to attend the event on November 8th, we invite you to complete the [Event Recording Request Form](#). The event recordings will not be available on the event platform following the event; therefore, you should only register if you are able to attend the November 8th event.

What is the best way to watch the seminar?

The seminar will be hosted on November 8th on the Accelevents platform, which the Sjögren's Foundation has used for previous conferences. This platform works best when using Google Chrome on a Personal Computer.

If you only have access to an iPad or iPhone, we recommend using the google chrome browser on your phone and suggest you access the event platform before watching live on Saturday to minimize the chance of technical challenges when using these devices.

Can I ask questions during the seminar?

During the seminar there will not be Q & A with our main stage content presenters, however, our event sponsors will have exhibit booths with materials and company representatives available to answer questions about their studies using the chat feature in their booths. There will be two unopposed times during the event for attendees to visit these booths and not miss any of the seminar presentations.
